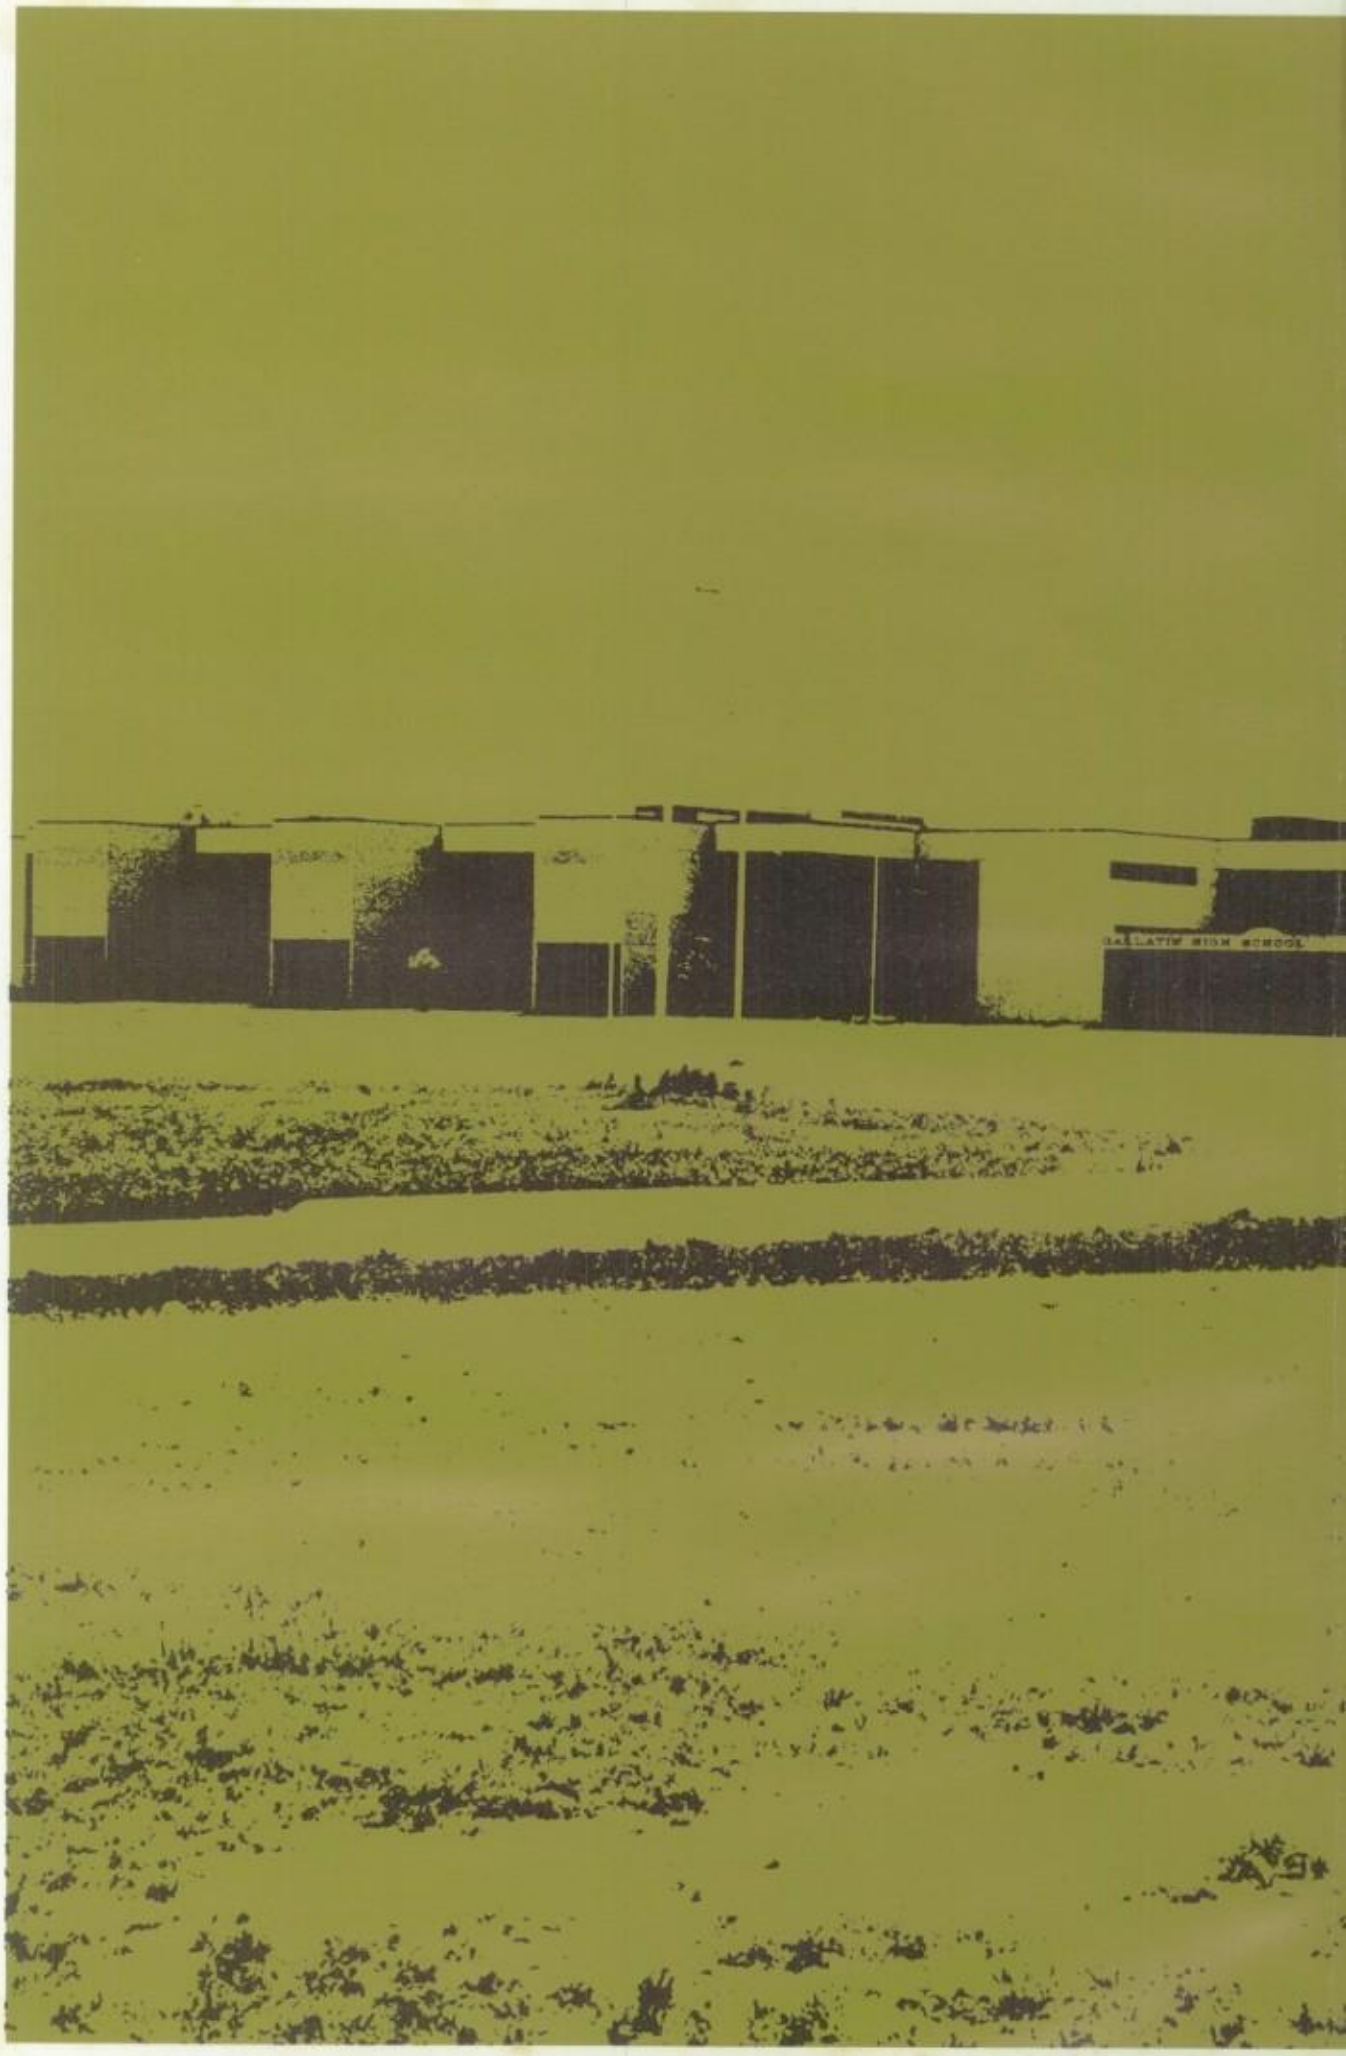
. . . As the Years Go By



ALMA MATER

On our City's western border
Reared against the sky,
Proudly stands our Alma Mater
As the years roll by.
Forward ever be our watchword,
Conquer and Prevail;
Hail to thee, our Alma Mater!
GHS — All Hail!

Cherished by our sons and daughters
Memories sweet shall throng
Round our hearts, our Alma Mater,
As we sing this song.
Forward ever be our watchword,
Conquer and Prevail;
Hail to thee, our Alma Mater!
GHS — All Hail!

A Tribute to the Senior Class . . .

Seniors of '81, you came to us three autumns ago, children still, faced with the intimidating challenge of a new, LARGE, confusing building, and mischievous, very proud upperclassmen to give you a shove in the right (wrong?) direction when necessary. Then, you were but novices in the great adventure Gallatin Sr. High, indecisive, high-spirited, and often immature. Now we watch as you leave this adventure in education to embark on an even greater one as you put into practice the learning, ideals, and spirit we have aspired to instill in you, and we can only hope that one day you'll look back on the good times, good friends, games, classes, and, yes, even on us, the faculty who wish you only the best in all you endeavor. Good luck and may God bless you always.

A Tribute to the Faculty . . .

The ubiquitous No. 2 pencil,
The pensive chalkdust atmosphere
The anxious relief that comes with the mere ringing of a bell . . .
These things we will always recall along with our school days here.

Yet we will always remember you most —
You who have shown us how and told us why;
You who taught us of the many whats, whens, and wheres,
And shared a part of your lives with us
So that we might learn.

So that we might learn . . . that not only is there importance in what we learn,
But also in the act of learning itself.

How can we show enough appreciation for such a gift as this?
We can only live, and remember your example
In everything we do . . . and say, "Thank you"
As we bid you a sad farewell.

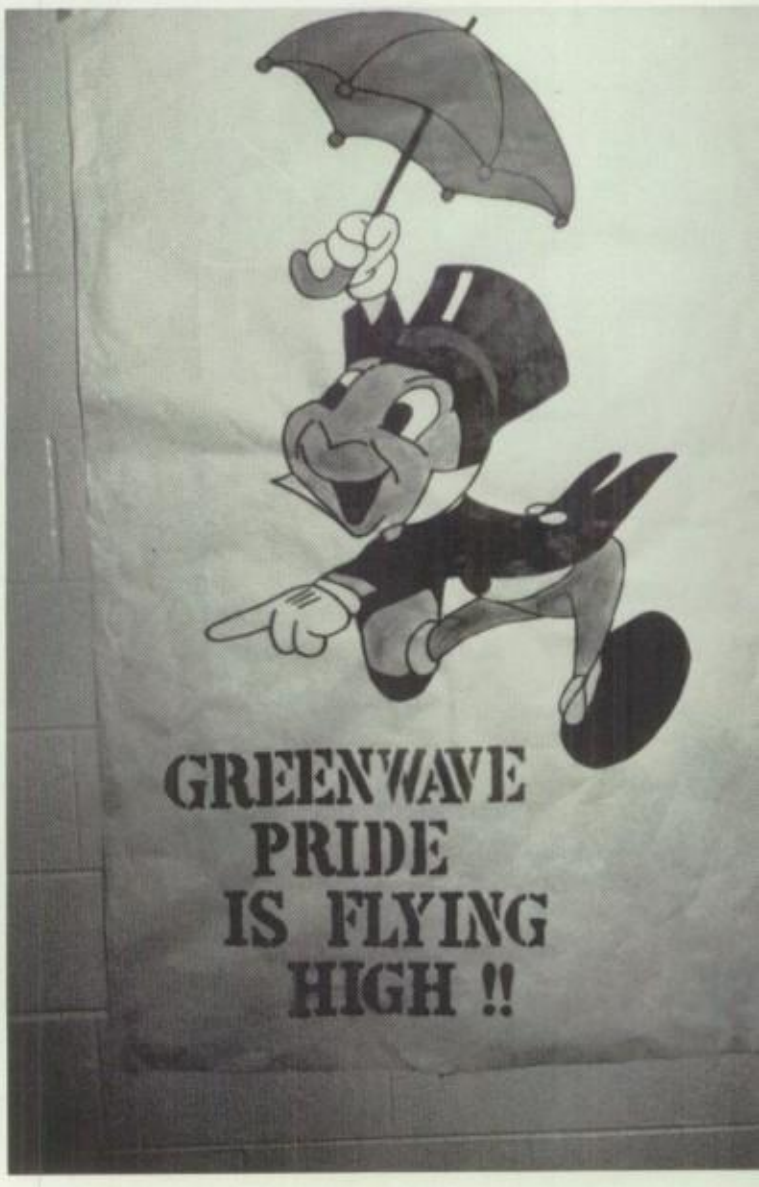
HOMECOMING

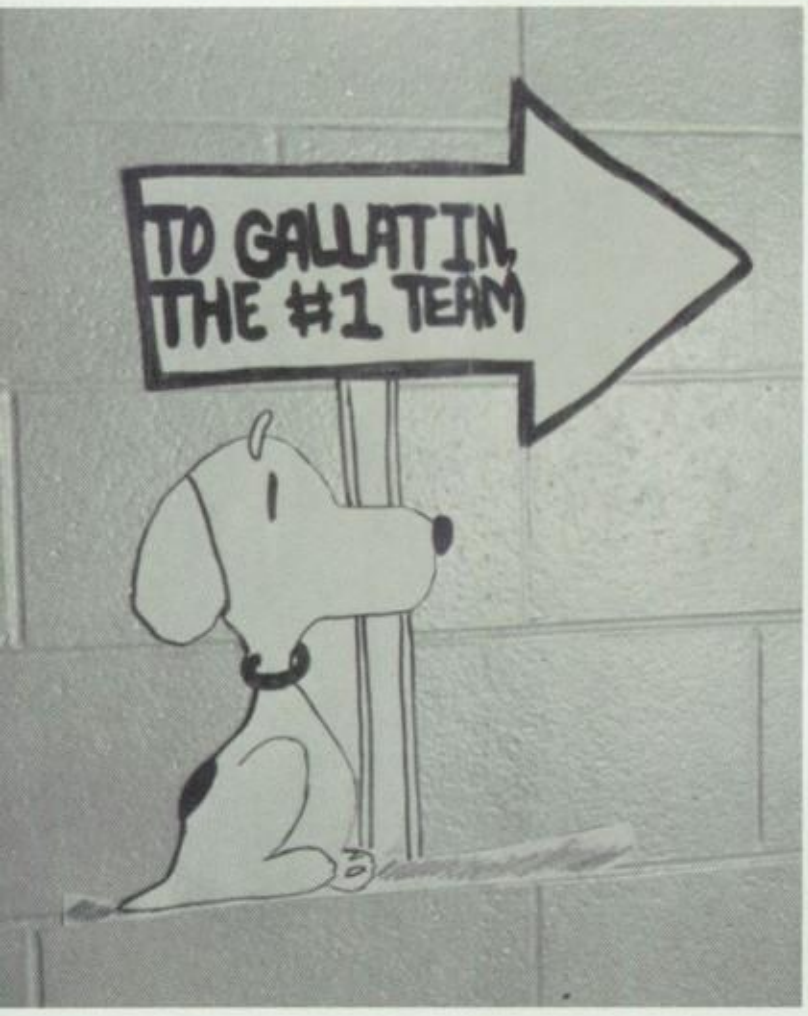
'80

A Week of Traditions

October 22-24, 1980 was Homecoming Week at Gallatin Senior High School. The Green Wave Spirit was alive and felt even as the week began on Wednesday morning. A wide range of activities filled the next three days as rooms were decorated, floats were built and overall and hat day returned to Gallatin for a day.

Homecoming Week had something for everyone to become involved in as the mighty Green Wave prepared to meet the Franklin Rebels on Friday night.

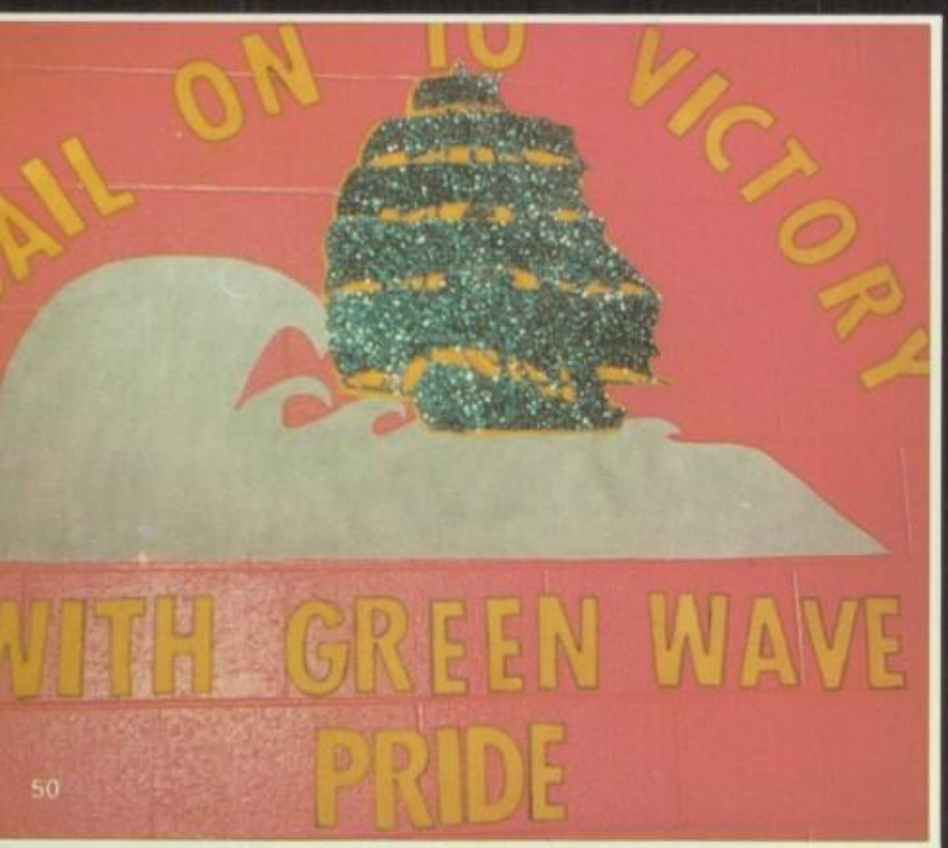




Students and teachers took part in the Homecom-
g festivities by participating in the various contests
eld throughout the week. Rooms were decorated
spirits rose. Thursday night's pep rally at the
mory was a huge success. The seniors of '81 won
e spirit stick and were treated to refreshments
terwards.

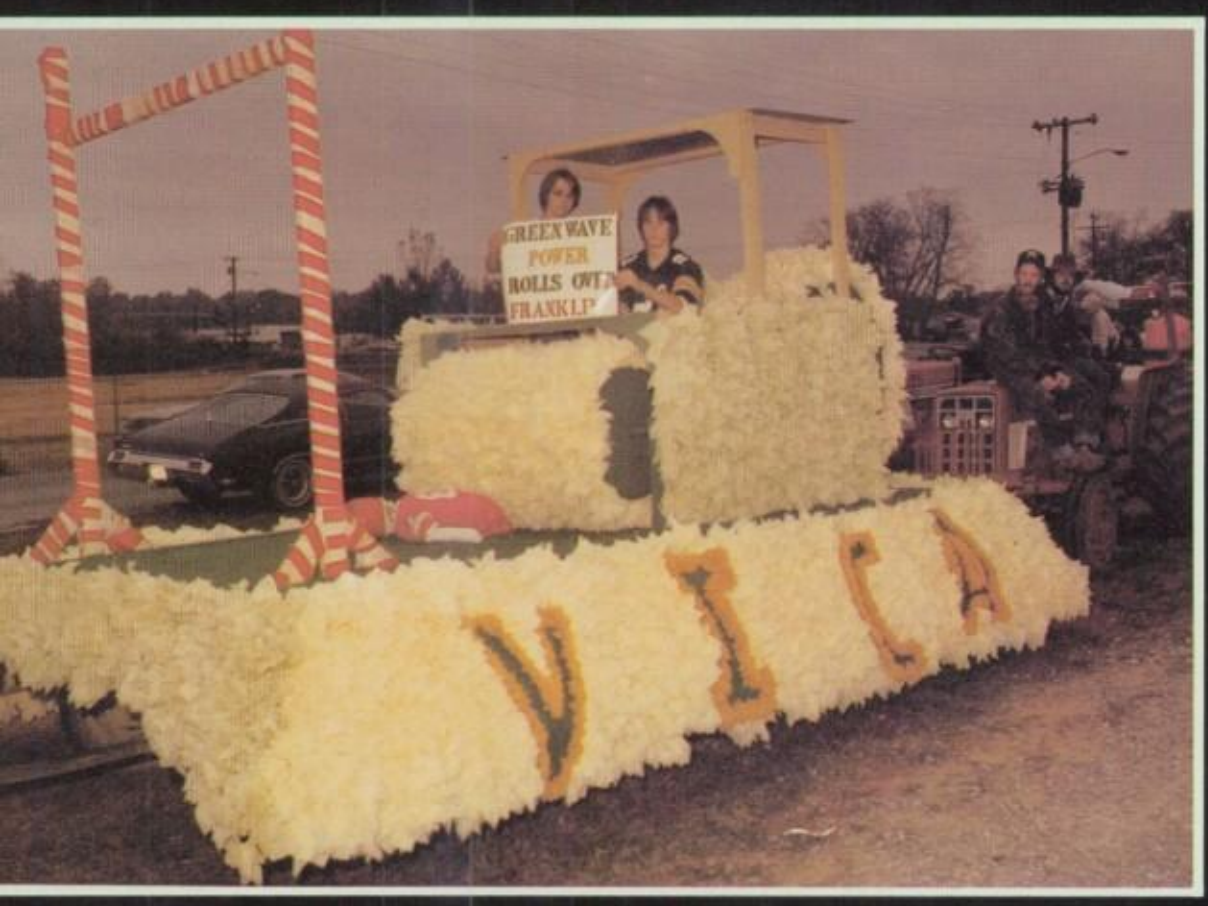
This year's class floats were three of the best ever built by GHS students. "Tweety Bird," the work of the Seniors, won first place in the class competition. "The Stork," the Sophomore float, won second place while "Mt. St. Gallatin," the Junior float, won third place.

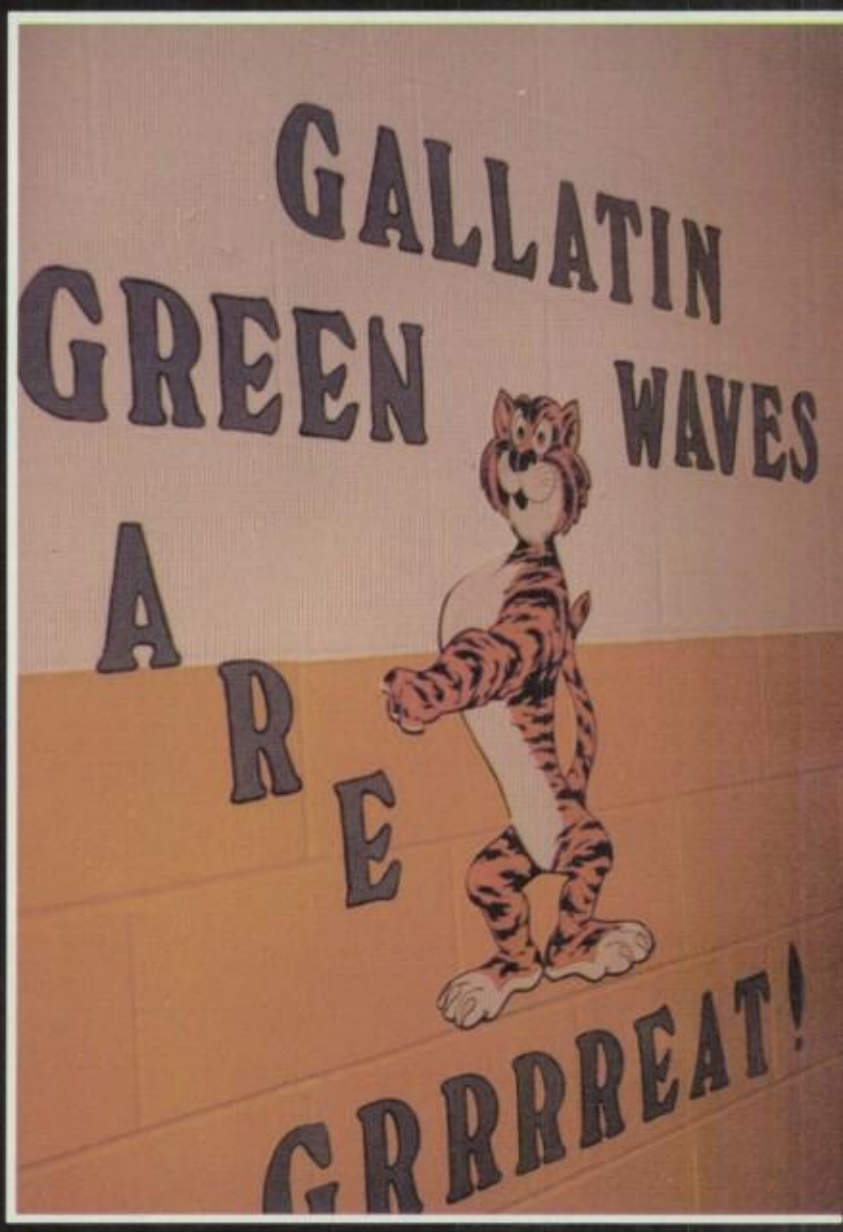
The annual homecoming parade was held on Friday afternoon 4:00. The bands and floats gathered at the fairgrounds to begin pa ticipating in one of the best parades.

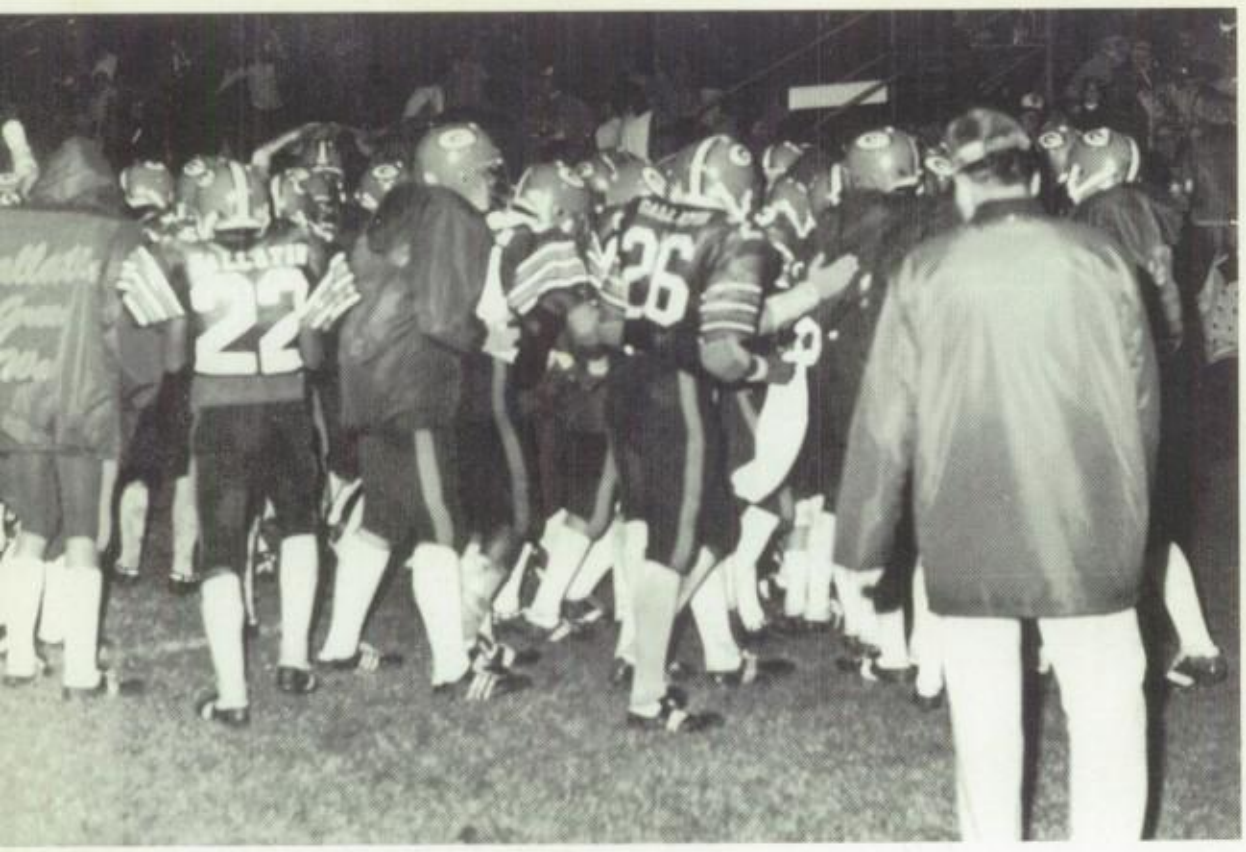


Members of the Gallatin Senior High School Homecoming Court were:

Tina Vradenburg
Sandy Brown
Betty Fleming
Edwina Parker
Linda Andrelski
Rhea McLean

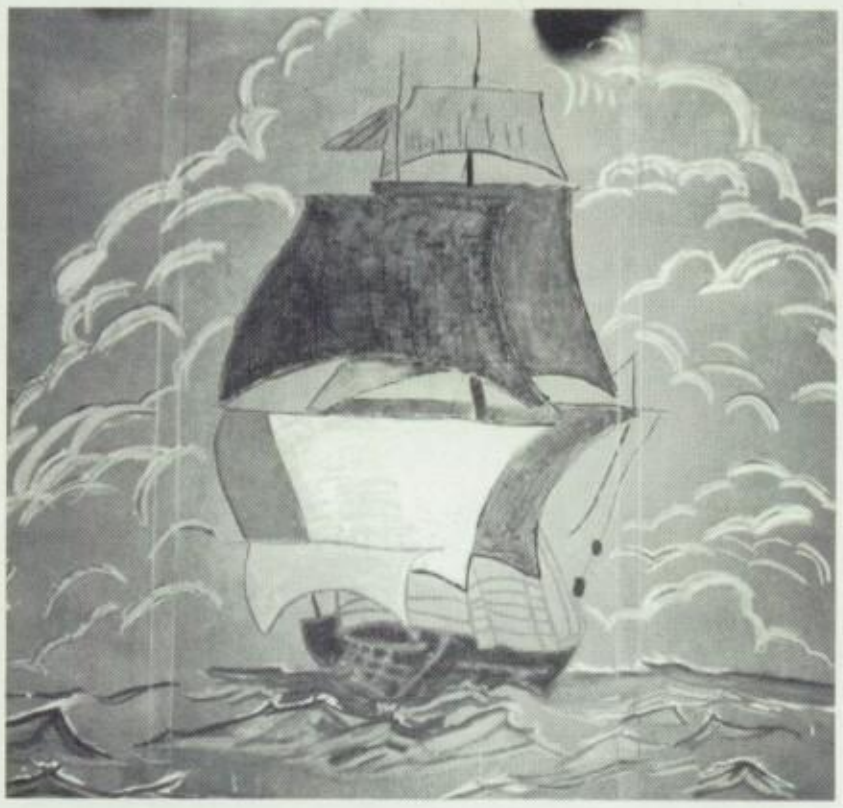






As the final seconds ran off the clock, the Mighty Green Wave had washed out the Rebels by a score of 29 to 0.

This year's Grand Marshall, Lee Raines, was honored, along with the Seniors, at the halftime activities Friday night.



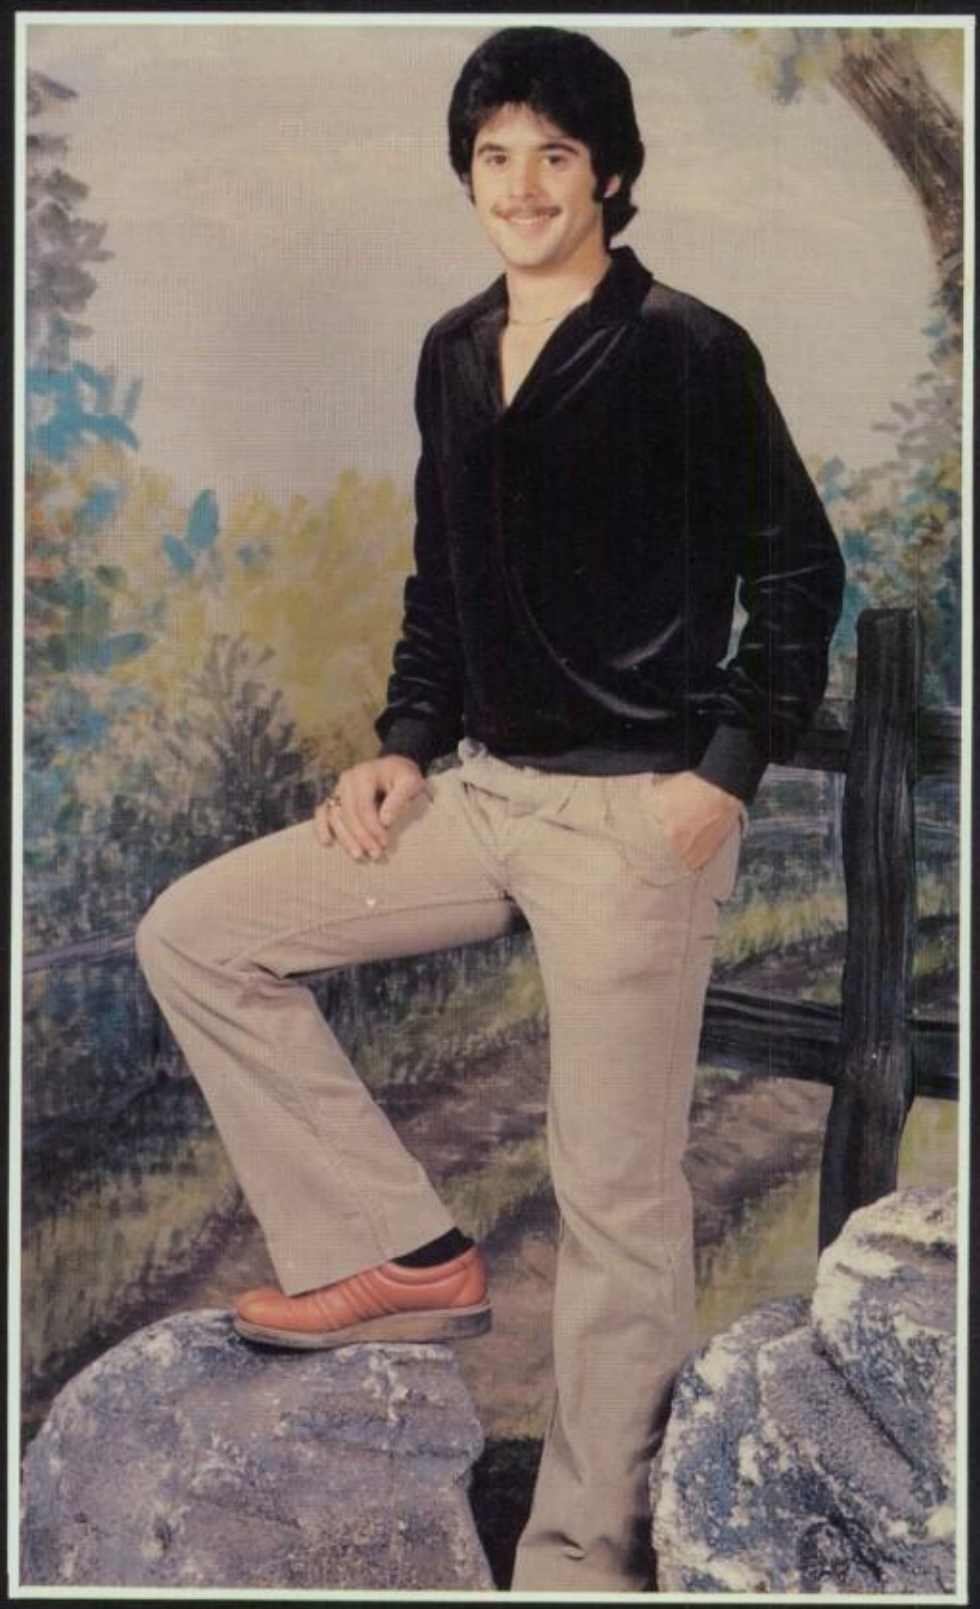
Knight and Lady

Tim Willmore

Tina Vradenburg

of the Green and Gold

Lady of the Green and Gold, Tina Marie Vradenburg, has given of her time and energy in all phases of student life at GHS. Her leadership abilities have been demonstrated through her service as a class officer for three years, and through her participation in Student Council. She has also shown enthusiasm and school spirit as a football cheerleader all three years.



Knight of the Green and Gold, Tim Dwayne Willmore, has shown his ability in various areas of school activities. His leadership and responsibilities as class president for two years have brought an awareness of his capabilities to his fellow students. Tim was also a member of the football team for two years.

Top Ten Scholastically

John B. Wilkes, Jr.

These students have achieved the distinction of graduating in the top three percent of their Senior class. Their hard work and diligent efforts were rewarded by the Gallatin Rotary Club which each year hosts a banquet in their honor. Each student was also presented with a certificate and a medal for their achievements.

Kappa Eta

Membership in Kappa Eta, limited to six each year, is determined by a point system which includes all phases of student life. Excellence in scholarship, offices held in classes or clubs, work in choir or band, letters earned in athletics, enable a student to accumulate points.

At midterm these points are totaled by a faculty committee and the six outstanding members of the graduating class are determined. These seniors are recognized at graduation by the presentation of gold keys furnished by the Beta Club.

The newest club in school, the G.H.S. club has done many services for the school and the community in its irst year. G.H.S. stands for Giving, Helping, and Serving, which is exactly what the club does. During its first ear, the club members were an active part in many activities. The efforts of these young people made the irst year of the club's existence a success. Through the devotion and hard work of the sponsors, officers, and certain club members, the club was able to perform well. These people have made a bright future for a very worthwhile club.

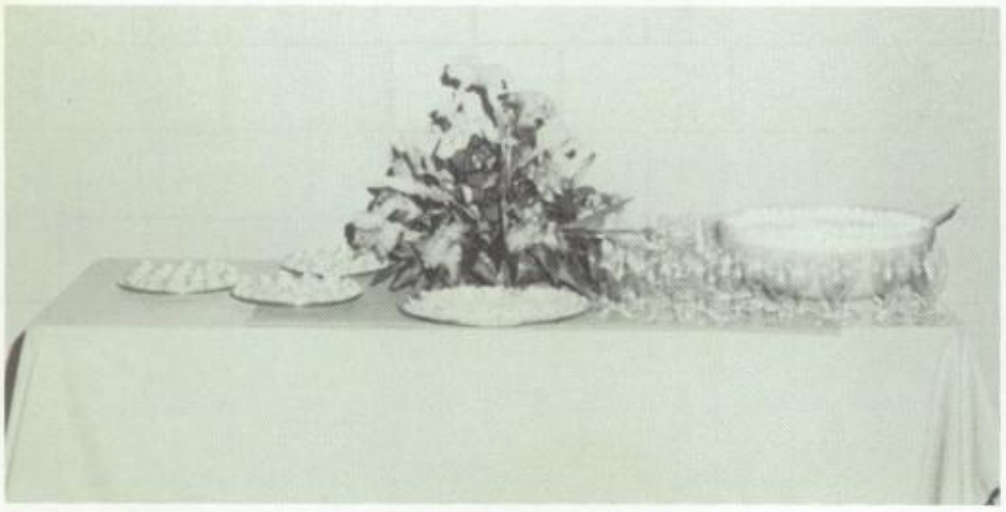
Talent Show
1981

The Talent Show is always a great attraction at Gallatin Senior High. This year was no exception.

This year's performers were chosen from several that tried out. These, however, were the ones to make it. Also this year a new attraction was added, commercials. These commercials were provided by the GHS Club. They added a little comedy to the acts.

The performers of this year's Talent Show were Gary Buck and Group, Charles Finney, Glenn Hughes, Vera Warrick, Kim Faulkner, Nita Dowell, Yarborough and Peoples, Dezaray, Fred Vaughn, Arbor East, and Infinity. These people are Gallatin Senior High's talented among the talented.

Junior-Senior Buffet & Prom



Prom festivities began this year at 5:30 pm with a buffet. The food was prepared by GHS' own commercial foods department. At 7:00 pm many Seniors were recognized at an award ceremony given in the Little Theater. The dance began promptly at 8:00 pm, featuring music by the "Blue Max" band.

Sixty-Sixth Annual Commencement
GALLATIN SENIOR HIGH SCHOOL
Tuesday Evening, June 2, 1981
8:00 p.m.
One Thousand Nine Hundred and Eighty-one

I made it! I made it!

So that's what it looks like

Success!

Look at ME! I'm a graduate.

Oh boy, I made it!

Did you really graduate?

The class of '81
With our battle almost won.
Stand and look to the far-away land.
Wondering what the future to us will hand.

We tell old G.H.S. goodbye.
The future now is drawing nigh.
Sadness it brings to every heart.
When we realize it's time to part.

We all have a different job to do.
We must do it well — and see it through
The "youth of today" our leaders will be
To keep our land both brave and free.

As classmates part, and we know not when
We'll be together or meet again.
We know that though fortune may pass us by.
We made true friends at Gallatin High.

There's a place for you at Volunteer State Community College.

You can become a student at Volunteer State Community College. In fact, it's very easy. After all, you're the one we're looking for. Your future at Vol State is a very personal matter to us because we know it is a very personal decision for you.

We have this habit of taking you seriously, your hopes, your dreams, your prospects for the future.We know you respect the benefits post-secondary education can bring.

We know you appreciate faculty who go out of their way to make the course interesting; who take the time after class to talk with you, who, in many instances, become your friends.

What's more, we know you want to be told precisely what is expected of you in class.

Finally, we know many of you have a "flight plan," that is, you're sitting in one of our classes because this is a step toward advancement, further education, progress toward a degree or self-improvement.

In other words, you're not there for the ride. You want something of value from your Volunteer State Community College class, and you expect us to deliver it.
